We ship to all 50 US States. Puerto Rico & Guam, please check before ordering. Availability and season vary every year. Some plants fruit or bear seed several times per year others may only be available once or twice a year. We will consider exporting seeds to other countries but we can not be responsible if they are seized by a foreign government. Be sure to check with your agriculture department, agency or ministry before we ship. Very perishable seeds should be shipped via Priority Mail.
